## NEW SUNDAY SCHEDULE

**Beginning next weekend**, we will be moving to two services. The first service will be held at 8am and will feature a traditional Lutheran service. The service will still feature a children's message, scripture readings, and a wonderful message from our pastors. However, we will use setting 8 in the ELW Hymnal located under your chairs. This service is rich in the music and liturgy that is so familiar in the Lutheran church. The second service will begin at 10:30 am and will be more like a modern style of service found in many churches today. It will still feature the children's message, scripture readings, the Lord's Prayer, the Creed, and a wonderful message from our pastors. In place of the liturgy will be a sampling of contemporary music and a more relaxed atmosphere. Both services will still offer Holy Communion and are open to anyone that would like to attend. We hope that you will find a comfortable place to worship Christ and receive His love and forgiveness in either one.
